13 September 2012

To Whom It May Concern:

This letter shall serve as an official certificate that **Safety Camera Systems Sp. z o.o.** has successfully completed the factory service training course for the LTI 20/20 UltraLyte 100LR, TruSpeed, and TruCAM laser speed detection systems.

Safety Camera Systems Sp. z o.o. is therefore authorized to certify calibration of the above mentioned laser devices and perform service to maintain proper working condition.

Please feel free to contact our offices with any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "FM", with a horizontal line above it.

Franck Margerin
European Sales Director
